

FARLAIN LAKE Community Association

Love the Lake??!!! Join Us!!!

Some of the ways that your Association works on your behalf are:

- Researching, advocating for and implementing efforts on the Lake to prevent the spread of the harmful, invasive species weed, Eurasian Water milfoil;
- Acting as the voice of the Lake community to local politicians with respect to environmental issues such as the septage field, lake water quality and quantity
- Representing the concerns of the community with respect to safety
- Communicating with the members through elerts, our newsletter, web site, kiosk at the Boat Launch and the Annual Meeting;
- Social events such as a kids fishing derby; and
- Being a cohesive voice regarding all new issues as they arise from members.

Joining your Association provides you with membership in FOCA and a discount card from FoTTSA which allows you to receive many great deals from our local stores! For example, one large purchase from RONA with our discount, would recover those \$50.00 membership fees. If you haven't renewed or joined yet, please do so by completing the attached form and mail to: **31 Farlain Lake Rd W, TINY, L9M 0B9** or pay by e-transfer (see page 2 for instructions). Help us help the community and join today!
