FARLAIN LAKE
Community Association

Love the Lake??!!! Join Us!!!

We work on your behalf by…

- Building strength in our community through ongoing communication and networking opportunities such as social events (kids fishing derby, boat parade, FireSmart program and more);
- Acting as one cohesive voice on behalf of the Lake community regarding environmental issues such as the rising lake water level, lake water quality, protection of wild life, shoreline protection and septic waste management;
- Researching, advocating for and implementing efforts on the Lake to prevent the spread of harmful, invasive species such as Eurasian Watermilfoil and Phragmites; and
- Addressing new issues with one cohesive voice as they arise.

Joining your Association provides you with membership in FOCA and a discount card from FoTTSA which allows you to receive many great deals from our local stores! For example, one large purchase from RONA with our discount, would recover those $50.00 membership fees. If you haven't renewed or joined yet, please do so by completing this form and mail to: **31 Farlain Lake Rd W, TINY, L9M 0B9** or pay by e-transfer (see page 2 for instructions). Help us help the community and join today!
